Dear Lee:

RE: Annual Reports

Last August, during our tour of the Beaver River, we discussed the problem that no annual reports on the Beaver River had been submitted since 1982. You said that you would get the reports to us before the next annual meeting so that you could be reappointed as the river commissioner for 1991.

I haven't heard from you concerning your progress on the reports. Since you have accepted employment in Idaho and will not be seeking re-appointment next year, I am growing concerned that you are not planning to turn in the reports.

I can't emphasize to you enough how important these reports are. They are the only official record of water delivery and use in the Beaver area and may be needed in the future for water planning studies or in a lawsuit.

I hope that you will complete the reports and submit them to this office as soon as possible. As you know, the cost associated with preparing and copying the reports will be reimbursed to you from the distribution system funds. Please contact me concerning your plans.

Sincerely,

Lee H. Sim, P. E.
